Pictures are shown in appendix A of this report.

Part C. Technical Information of Products

C.1 General Information

Trademark:	Model No.
Class:	Rated Voltage:
Length of Cord (m):	Rated Power:
IP:	Rated Frequency:
Type of switch :	Cord fixation type:
Type supply connection:	<other>

C.2 List of electrical components:

Component s	Trademark	Model	Specification	Conformity mark	
Plug					
Cable					
Switch					
Capacitors					
<other>					
The electrical components are conformed to technical specifications or test report?				Yes	No

C.3 Motor:

Resistance of Stator winding (Ω):	Resistance of Rotor winding (Ω):	At ($^{\circ}\text{C}$):	
The motor are conformed to technical specifications or test report?		Yes	No

C.4 List of mainly components

Components	Reference No. and Characteristics
Housing material	
Front bearing	
Rear bearing	

C.5 Conclusion

REMARKS (Those points don't comply with the standard requirement and Client's specification)	
COMMENTS (Complementary Information)	

Part D. Commercial Information of products

D.1 Commercial Key Points:

Key Points Check:	Yes	No
The instruction Manual is the same as conformed one from Client?		
The rating plate is the same as conformed one from Client?		
The color box (barcode) is the same as conformed one from Client?		
The color of product is the same as conformed one from client?		
The style of product is the same as conformed one from client?		
The Material of product is the same as conformed one from client?		
Export carton (shipping mark and volume) is the same as conformed one from client?		

D.2 Export Carton:

Type of packaging:	Pcs / Export carton:	
Ex. Dimension(LxWxH/cm):	Layer of Carton:	
Type of sealing:	Barcode:	
<u>Shipping Mark on export carton and Picture of export carton:</u>		
Shipping mark	Open view	Side View

D.3 Single Unit Packaging:

Type of packaging:	Ex. Dimension(LxWxH/cm):
Type of sealing:	Barcode:
<u>Marking on Packaging and picture of packaging:</u>	
Description of accessories included:	

D.4 Conclusion

REMARKS (Those points does not match Client's specification)	
COMMENTS (Complementary Information)	

Part E. Informative remarks:

Appendix A: Pictures

Defects, Notes and Remarks

Markings on unit

Product
